

10th Annual **GOLF4STEM** Tournament

JUNE 5, 2017 | WINTERS RUN GOLF CLUB | 8:00 REGISTRATION | 9:30 SHOTGUN START

This year's tournament will be held Monday, June 5th at the beautiful Winter's Run Golf Club in Bel Air, Maryland. The event promises an 8:00 AM breakfast followed by a 9:30 shotgun start, a day of GREAT golfing with friends and colleagues, multiple contests and prizes, and a fabulous meal during the awards reception.

Your sponsorship helps students discover and practice real science. It provides students access to new technologies and laboratories, pairs students with mentors, enables less fortunate children attend STEM summer camps, and so much more. This year, we are partnering with Harford County Boys & Girls Club, where a portion of this year's tournament fund-raising will be directed to STEM initiatives in the clubs.

Through efforts like Golf4STEM, you are building tomorrow's STEM educated workforce and filling the pipeline of future employees, entrepreneurs, and community leaders.

NMTC is a hub of the local technology community. By supporting NMTC, you help us to aggressively pursue areas of opportunity that will benefit you and our community, providing a technologically competitive advantage.

Our diverse membership spans business, academia and government. From cutting edge technology demonstrations, special speakers series, round tables, affinity groups, technology summits to a myriad of STEM related events, NMTC is driving technology.

Sponsoring NMTC's Golf4STEM tournament provides the perfect opportunity to network with senior leaders from the APG community and industry. You will be connecting with the people and their organizations that execute billions of dollars in contracts. Support your business goals while demonstrating leadership in the community and associating your firm with STEM education advocacy.

Select your sponsorship level at www.golf4stem.com and leave the rest to us. If needed, contact us at the NMTC office, 410-638-4466, email john.casner@nmtc.org or co-chairs, jlapps@nextgenfed.com and smanning@freedomfcu.org

Regards,

A handwritten signature in blue ink that reads "John Casner". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

John Casner , NMTC Executive Director
