NMTC Announces Seven New Members

Havre de Grace, MD. – NMTC, the principle technology and innovation advocacy platform connecting industry, academia, and government collaboration in Northeastern Maryland, is pleased to welcome six new members. “We are very fortunate to have them by our side as we continue to strengthen our commitment in harnessing innovative technologies for regional economic growth,” John Casner, Executive Director.

[Snee, Lutche, Helmlinger & Spielberger, P.A.](#) represent clients ranging from individuals and families to local and national companies on a wide variety of legal matters - business, trademarks, estate planning, real estate development, civil and criminal litigation, government relations, and alternative dispute resolution.

[Deloitte](#) is one of the "Big Four" accounting organizations, and is also the world's leading information technology advisory company offering the largest professional services network in the world by revenue and number of professionals with headquarters in London, United Kingdom.

[Crown Castle](#) is a real estate investment trust and the largest provider of shared communications infrastructure in the United States. Their portfolio includes more than 40,000 cell towers and approximately 70,000 route miles of fiber supporting small cells and fiber solutions.

[Integrity Consulting Engineering and Security Solutions \(ICISS\)](#) provides science, security, and engineering solutions to government and industry. ICESS is a Department of Veterans Affairs (VA) Center for Verification and Evaluation (CVE) certified Service Disabled Veteran Owned Small Business (SDVOSB).

[Managed Network Services Group \(MNS Group\)](#) supports companies with a wide range of outsourced business services including network management, process consulting, and workflow development. They stand ready to find the best solution for all of your business concerns.

[Howard Bank](#) is Baltimore's largest independently owned bank, serving the financial needs of people in Baltimore City and its surrounding counties. Howard Bank has dedicated its services to meet the financial needs of businesses and families in local communities.

[Atlantic Data Forensics](#) is a Computer Digital Forensics/Incident Response (DFIR) firm with a national reach, investigating thousands across the US for small/mid-sized organizations to the Fortune 50, healthcare organizations, international research institutions, and 20% of the AM Law 100.

About NMTC

Founded in 1991 and comprising over 100 member companies and organizations across Northeastern MD, NMTC is a catalyst for advancing innovation and technology, building the workforce for the future, and creating collaborative events to exchange imaginative ideas.
